Miami River Commission and University of Miami Partner to Beautify the Miami River Greenway Saturday, October 2, 11 AM-1 PM North River Drive, Lummus Park to I-95

(Miami, FL) – An estimated 30 University of Miami students will partner with the Miami River Commission on Saturday, October 2, 11 am to 1 pm, to beautify the Miami River Greenway along North River Drive, from Lummus Park (NW 2nd Street) to I-95, as part of the annual “National Gandhi Day of Service.” Volunteers will assist in the expansion of the marine-inspired murals beneath the 1st and Flagler Street Bridges, in addition to planting native species and removing litter and weeds along the Miami River Greenway.

The MRC thanks all of the volunteers and generous in-kind sponsors. Feel free to join us at this MRC co-sponsored event. Just remember to bring closed-toed shoes and sunscreen. For more information about the Miami River Commission, please visit our website, www.miamirivercommission.org.
