Saturday, August 28, 11 AM-1 PM
North River Drive, Lummus Park to 5th Street Bridge**

(Miami, FL) – An estimated 25 University of Miami students will partner with the Miami River Commission on Saturday, August 28, 11 am to 1 pm, to beautify the Miami River Greenway along North River Drive, from Lummus Park (NW 3rd Street) to the NW 5th Street Bridge, as part of the annual “Orientation Outreach.” Volunteers will plant 58 new plants, spread mulch made of recycled pallets, remove litter and weeds along the Miami River Greenway.

The MRC thanks all of the volunteers and generous in-kind sponsors. Feel free to join us at this MRC co-sponsored event. Just remember to bring closed-toed shoes and sunscreen. For more information about the Miami River Commission, please visit our website, www.miamirivercommission.org.
