Miami River Commission and University of Miami Partner to Beautify the Miami River Greenway Saturday, September 25, 11 AM-1 PM South River Drive, NW 27 Ave Bridge to NW 20 ST

(Miami, FL) – An estimated 100 University of Miami School of Business students will partner with the Miami River Commission on **Saturday, September 25, 11 am to 1 pm, to beautify the Miami River Greenway along South River Drive, from NW 27th Avenue Bridge to NW 20th Street. Volunteers will meet and free parking is available at 2980 NW South River Drive for the annual “Business United Service Day.”** Volunteers will be refurbishing a mural beneath the 27th Avenue Bridge, originally designed by renowned local artist Xavier Cortada in 2003. The mural, which depicts a beautiful sunset on the waterfront, was one of the first art installments created along the Miami River Greenway in partnership with volunteers. In addition, volunteers will help beautify the area by removing litter and weeds along the Miami River’s shoreline. This event also coincides with the with 2010 Miami-Dade Coastal Cleanup, a yearly event sponsored by the Ocean Conservancy to help keep marine environments clean and raise awareness.

Remember to bring closed-toed shoes and sunscreen. The MRC thanks all of the volunteers and generous in-kind sponsors. For more information about the Miami River Commission, please visit our website, www.miamirivercommission.org.
