

**Miami River Commission's
Urban Infill & Greenways Subcommittee
Public Meeting Minutes
December 17, 2025**

Miami River Commission (MRC) Urban Infill & Greenways Subcommittee's Chairman Jim Murley convened the public meeting on December 17, 2025, 10 AM, 1407 NW 7 ST. The attendance sheet is attached.

I) City of Miami Presentation Regarding Proposed Amendments To Miami 21 (City of Miami Zoning Code) Regarding Outdoor Dining

Mawusi Khadija Watson, Chief of Land Development, City of Miami presented a detailed informational PowerPoint, and the City administration's proposed track changed amendments to the Zoning Code "Article 6: Supplemental Regulations 6.3.2.2 Outdoor Dining". Ms. Watson stated none of the proposed amendments apply to, nor impact, any currently operational outdoor dining businesses.

MRC Subcommittee Chairman Jim Murley suggested the MRC recommend approval of the City's proposed amendments to the City Code regarding outdoor dining with the following 2 revisions:

- 1) Do not allow outdoor dining tables and chairs on the public riverwalk required in Zoning Code Section 3.11**
- 2) Allow outdoor dining in all zoning categories / definitions which currently allow restaurants**

This item is on the full Miami River Commission's January 5, 2026 public meeting agenda, noon, downtown library auditorium, 101 W Flagler.

II) City of Miami Presentation Regarding Draft New / Updated Bicycle Master Plan

Juvenal Santana, City of Miami Public Works Director, and Collin Worth, City of Miami, presented the Draft New / Updated Bicycle Master Plan. Director Santana stated the City contracted consultants in 2022 to create the completed plan, and now the City is authoring an addendum to accompany the Plan when considered by the City Commission. Mr. Worth stated the Miami River Greenway maps depicted in the plan will be corrected in the upcoming addendum. Mr. Worth stated he will provide more information regarding where the Miami River Greenway is found and results in the scoring section of the Plan, and provide a link to public survey where results will be considered in the process of determining 10 priority projects for expedited funding and construction. Attendees noted the importance of finishing the 70% complete public Miami River Greenway, and eliminate all dead-ends and missing sections.

MRC Subcommittee Chairman Jim Murley suggested the MRC recommend approval of the City's draft Bicycle Master Plan with the following 2 revisions:

- 1) Correct the map depicting the route of the Miami River Greenway to be consistent with the route depicted in the 22nd Annual Miami River Map & Guide**
- 2) Provide further future consideration of the upcoming addendum, scoring, and include the Miami River Greenway in the upcoming list of top 10 priorities**

This item is on the full Miami River Commission's January 5, 2026 public meeting agenda, noon, downtown library auditorium, 101 W Flagler.

III) New Business

The public meeting adjourned.
